SCHOOL AGE Class Description

Combo Classes (level 1, 2, 3 & 4)

The Combo Bugs learn Dance, Acting and Singing in just one class a week. Skills are combined in mini-musicals such as 'Alice in Wonderland', 'Cinderella' and 'Charlie Brown'. Combo Bugs have fun learning the basics of dance (co-ordination, technique, jazz routines), singing (pitch, projection, rhythm) and acting.

Advanced Combo Classes (level 2, 3 & 4)

Experienced students may be invited to join an Advanced Combo Bugs class, where the dance routines, songs and drama activities are more challenging. Advanced Combo students are also often given additional performance opportunities.

Super Bugs

This is a physically active class specifically targeting the needs of young boys. Each lesson is based on a theme such as space adventures, robots, pirates and superheroes. The children explore the theme as they have fun tumbling, climbing, jumping and grooving to cool music. Parents and friends are invited to view the Super Bugs in action at the end of each term.

Butterfly Ballet

These classes follow the traditional classical ballet lesson format and involve barre exercises, stretches, centre exercises and corner work. Emphasis is on developing ballet technique whilst improving posture, co-ordination, flexibility, strength, poise and creativity. Exercises and routines incorporate arm and foot movements, turns, small jumps and leaps. This class aims to cater for the individual needs of beginner classical ballet students.

Bust-a-move Bugs

This is a 'boys only' hip-hop dance class where boys with a passion for dance can learn cool funky moves and routines in an encouraging and supportive environment.

Senior Funky Bugs

Funky Bugs is a fun jazz/hip hop dance class for students with some previous dance experience. Students learn basic dance technique, floor work and funky dance routines that are set to popular music.

Show Bugs

Those students who have attended an Advanced class for a term or more may be invited into the Show Bugs class. These students perform in musicals for public audiences at least twice a year. These shows are of a high standard and often include adult performers. Show Bugs classes are held on Mondays at 4.15pm at Norwood.

Bugs Glee Club

Children learn fun, contemporary songs as they develop pitch, vocal strength and breath control. In popular 'glee' style, moves are combined with the sounds to create fun and entertaining musical numbers such as 'Jump', 'True Colours', 'Defying Gravity' and 'Lean On Me'. Students demonstrate their skills at the end of each term and perform at the occasional public event. **Enrolment by audition only.**

Buddy Bugs Singing Lessons

Bring along a friend, brother, sister, even your mum or dad and have fun learning to sing together!

Private Singing Tuition

Private singing lessons are great for those students who want to progress quickly by way of personalized coaching that is specific to their needs. Fantastic for students wishing to develop further as 'all rounders', prepare for auditions or for those who just wish to gain confidence and have fun.

Private Acting Coaching

Private acting coaching can prove very beneficial if preparing an audition for a play, private school scholarship or university course. Our tutors can assist in selecting a suitable audition piece, giving direction and motivating students. By appointment only.

Theatre Bugs SCHOOL AGE Class Timetable

Our school aged classes are conducted weekly throughout the school term. Many of our students have been attending classes at Theatre Bugs for many years. During this time, they have not only developed dance, singing and acting skills and performed in many wonderful shows, but they are also more confident in other aspects of their lives. Theatre Bug parents have remarked that their children have become more at ease speaking in front of the class at school, expressing their ideas and making new friends. For many of our students, Theatre Bugs has become an invaluable and unforgettable part of their childhood. Our students are taught by experienced teachers in a caring, nurturing environment. We value and embrace each child's individuality and pride ourselves in bringing out the best in every student. Please refer to our class descriptions for more information regarding specific classes we offer.
