THEATRE BUGS CAFÉ

During the July school holidays, we will be renovating our café at Norwood so that it incorporates a teaching space ("The Garden Room") for our new classes. This means that although the space will be brighter and funkier, the café area will be smaller and only include one play area. We will be serving hot beverages, cold drinks, cup cakes, cookies and a daily bakery selection. Parties will continue to run as always and take place in both the café and Garden Room. Please note that the café will be closed for renovations Saturday 9th July – Saturday 23rd July (except for parties).

SPOTLIGHT ON....

ALISON JONES AGED 15 YEARS

Alison has been with Theatre Bugs for 7 years and currently attends the Funky Bugs and Show Bugs classes. Alison has also just recently started working as an Assistant Teacher for our Saturday morning classes, which she is very excited about!

Alison has always had a love of singing and dancing and when she was younger, put on impromptu shows for her mum Peggy and family.

At age 8, Alison asked her mum if she could 'be in the theatre', so Peggy enrolled her in a Combo Bugs class at Theatre Bugs. Alison loved her classes, which immediately became an important part of her life and personal development. Her goal was to become a 'Show Bug'.

Alison's first performance was 'The Secret Garden' when she had one line. From here, Alison's enthusiasm and confidence grew and by 2008, she had achieved her goal and was invited to join the Show Bugs class. Theatre Bugs has given Alison many exciting performance opportunities in public shows such as 'Something On Saturday' at The Festival Centre, Adelaide Fringe concerts and ABC television's 'Behind The News'.

Alison's dream is to carve a career in the performing arts. Theatre Bugs is very proud to have helped Alison develop as a performer and will work with her in achieving her dream.

LESSONS IN TERM 3, 2011

PRE-SCHOOLERS AND COMBO LEVEL 1

For all pre-school and Combo Level 1 students, Term 3 will culminate in an informal demonstration during their last lesson.

All students (except Busy Bees, Fairy Babes & Super Bugs) will also start working towards their fabulous end of year show which will be an adaption of May Gibb's classic SNUGGLEPOT AND CUDDLEPIE. Each child will have a character role to play, which could be anything from a gorgeous pink or yellow gumnut blossom to a cheeky banksia man! Students will have fun choreography to learn and need a special character costume (for which we always provide DIY ideas and purchase options).

THEATRE BUGS 7 – 18 YRS

Our older students will commence rehearsals for the exciting end of year show, MOLLY AND THE LOLLY FACTORY (our own sequel to Charlie and the Chocolate Factory!!) In this funny musical, Charlie is now an adult and running the factory with help from the Fruit Loops and a range of other outrageous characters! The end of year show gives students an opportunity to perform in a large modern theatre with professional lights, sound, sets and costumes – it is the highlight of the year for many Theatre Bugs families. The show will be performed at the Forge Theatre in December. Further information regarding your child's show date, time and other details will be distributed in early Term 3.
